

# HOT DOG CART

Item # 1605

845.226.2447

## INSTRUCTIONS:

Open the lid on top and fill the compartment with hot water. Put however many desired PRE COOKED hot dogs into the water. Underneath the water-filled container is a door. Place a sterno can (or 2) into this door to heat the water above it. Water will only be hot enough to keep hot dogs warm; not cook them. Storage on the bottom is for holding buns

### POWER REQUIREMENTS:
